TUOLUMNE COUNTY

Staff has prepared tentative revised Waste Discharge Requirements (WDRs) for the Closure of the Jamestown Mine. The WDRs will be considered for adoption by the Regional Water Quality Control Board at a public meeting on 21/22 June 2007. Any comments or recommendations you may have concerning the enclosed tentative WDRs must be submitted to this office by **24 May 2007** in order for us to give them full consideration prior to the 21/22 June 2007 meeting. Comments submitted after this date will not be considered.

In order to conserve paper and reduce mailing costs, a paper copy of the tentative WDRs has been sent only to the Dischargers. Interested parties are advised that the full text of the WDRs is available on the Regional Board's web site at <http://www.waterboards.ca.gov/rwqcb5/tentative>. Anyone without access to the Internet who needs a paper copy of the tentative WDRs can obtain one by calling Regional Board staff.
